

Rooming With My Boss (MM First Time Older Man Gay Romance)

With only a single small room left, Cameron and his older alpha boss Murphy Garner are forced to spend the night, waiting out the freak blizzard that has stranded them together. But when the young man wakes in the middle of the night to see his boss on the floor masturbating, Cameron is left to wonder whether it was to thoughts of him or the mans wife. Never having been with a guy before, Cameron finds his own arousal confusing... The next day, all Cameron can think about is Mr. Garner giving it to him hard and fast, and even though it would be his first time with a man, he knows that if it happens he would be powerless to stop it
