

Bound by my Stepbrother (Bound by Secrecy Book 1)

I always dreaded these family reunions. The ones where my parents would relentlessly try and blend their step families together in some fancy resort location. But, it wasn't the gathering that I hated. Oh no. I could avoid that with alcohol and lounging by the pool. It was him; that cocky, masculine, billionaire, whatever of a stepbrother that I grew up with. He's driven me wild for longer than I can remember. I just need to avoid him long enough to survive this gathering. Too bad he has different plans for us. He wants me bound and all to himself.
