

White Knight Dom Academy: The Beginning

Lucian and Tara have survived the Dom Wars but can they survive reigning as Mr. and Mrs. Dildo USA? Maybe they could if they werent having to do it in Grammas stuck up religious home-town. All they have to do is train vanilla couples in the art of Dominance and submission--and sell one of every item in Gladiators adult-toy catalog within a certain time frame. Not to fear, Steve comes to the rescue once again, only this time, he brings his wife who has addictions you would never guess. And failing is not an option. If theyre to collect all of their winnings, they must comply with these terms. But if theyre going to keep the family name in tact and not get Gramma booted from her own home-town, they need to pull off their kink-heist without getting caught. Let the games continue.
