

Tempting the Boss: An Erotic Office Story

Ruby Foxx is the pseudonym of a New York Times Bestselling Author. Bella loves her job. Its only a temp position but its everything she wants in a job especially her sexy hunk of a boss. But her hope of being hired at the end of the contract is shattered when he calls her into his office and tells her shes fired. Mr. Elliott doesnt want to fire the sexy, and very distracting, Bella, but what else can he do? As much as he might want her to stay, it just isnt working. Now that the time has come, however, she tempts him with an offer he cant resist. Just how far will she go to keep this job? ~~~~~ Warning: This erotic story is for adults only. It contains graphic sex scenes that will thrill and excite you, including oral sex, multiple orgasms, and a whole lot of holiday fun! TEMPTING THE BOSS is a quick, fast-paced read. Although this is the first of a series of stories, each story can stand alone. About the author: Im Ruby Foxx, the alter ego of a New York Times best-selling erotic romance author. Think of me as the evil twin. When I write stories, theyre short and sweet. And I dont mean romantic sweet. I mean the sweet, melting hot eroticism of two lustful lovers succumbing to their passion. And when I say short, I mean I get to the point and pound it home. Fast. Youre reading these stories to get to a good place, right? O yes, I know what you want. ;) So Ill entice you, seduce you, then guide you to the climax. Believe me, its all about the sex. But isnt that what you want?
