

Tess of the Durbervilles: A Pure Woman

Tess of the dUrbervilles: A Pure Woman Faithfully Presented is a novel by Thomas Hardy. It initially appeared in a censored and serialised version, published by the British illustrated newspaper The Graphic in 1891 and in book form in 1892. Though now considered a major nineteenth-century English novel and possibly Hardys masterpiece, Tess of the dUrbervilles received mixed reviews when it first appeared, in part because it challenged the sexual morals of late Victorian England. The novel is set in impoverished rural England, Thomas Hardys fictional Wessex, during the Long Depression of the 1870s. Tess is the oldest child of John and Joan Durbeyfield, uneducated peasants; however, John is given the impression by Parson Tringham that he may have noble blood, since Durbeyfield is a corruption of Durberville, the surname of a noble Norman family, then extinct. The news immediately goes to Johns head.
