

## Tezuka School of Animation, 2: Animals in Motion

Animals are a staple of animation, largely because the medium gives them a voice. Some of the most memorable animated characters are animals-Dumbo, Simba, Scrat from Ice Age-as are many of Osamu Tezuka's greatest anime heroes. Tezuka School of Animation, Vol. 2, teaches you how to animate your favorite animals. Learn to capture the movement and natural traits of a wide range of animals, including dogs, cats, horses, cows, giraffes, elephants, monkeys, bats, snakes, and even insects.
