

Thalia: Taken... Given... Ravished... (Historical Group Menage - Complete Edition)

I am Thalia and this is my story. Born the daughter of a fisherman in the small village of Hyccara, Sicily, I had no hopes for a decent future. I was to marry a fisherman and bear his children, but then the Athenian soldiers attacked and pillaged my village. I was taken as a pleasure slave by Markos, a fierce warrior, and that was the moment when my life changed for the better. Shared by Markos friends Sold to one of the most famous Athenian painters Given to my new masters own pleasure slaves Little did I know that I was actually climbing the social ladder. When Apelles, the painter and my new master, decided to send me to a school where I could study the art of lovemaking, I knew it was up to me to do my best, work hard, and earn enough to buy my freedom. I was no longer a fishermans daughter. I was Thalia, the Muse, the goddess of lust. This is the complete edition (all 3 books) of the story that focuses on Thalia, a Sicilian young woman who becomes a slave in Athens only to climb the social ladder and achieve fame and wealth as a courtesan. This steamy historical novella is suitable only for those over 18 years of age.
