

## Painting in Pastels (Studio Vista Beginners Guides)

Pastel paints require no mixing, offer permanent colour, can be used alone or in conjunction with other media, and are appropriate for any scale of painting. This introductory guide to their use is aimed at beginners who wish to develop their skills quickly and easily. It is illustrated on every spread, with many pictures taken specially for the book. It covers all the appropriate techniques and includes a number of step-by-step projects designed to give confidence and inspiration to the beginner.
