Joshua and drew are just your average couple... except theyre into humiliation and watersports!! I felt the pressure from my bladder again and this time I stopped fighting it, I had been humiliated so much already what was one more thing, but that didnt make it any less humiliating. Joshua stepped closer to me, leaning over me so he could press his c*ck against mine, and kiss me hard at the same time. It didnt matter how arousing his being demanding had been, the total humiliation of urinating on him made tears fall from my eyes. I felt him shudder against me, and a moan slipped past his full lips. Joshua was enjoying it, I wasnt sure if he was enjoying forcing me or the fact that I had just urinated on him. I felt the tears start to fall from my eyes more persistently, my head falling backward and resting on the wall again. That was hot. Joshua whispered into my ear when I had finished, my body falling limp in his arms. Any other time and that would have made me horny as hell, but I was only humiliated and tired. I want to go home. I said. My legs and feet where soaked in urine, and the smell of it was pungent. I pulled myself out of Joshuas arms and went to wash my hands, in some futile attempt to make myself feel clean.
