

MATED BY ALL FIVE ALPHAS (Paranormal BBW FMMMMM Shifter Dark Erotica Romance): Mated By The Pack: Book 2

Curvy and innocent Jessica has worked hard to mold herself into someone bold and confident after moving to a new town with her boyfriend. But after getting callously cheated on and dumped, all she wants is to curl up at home for some alone time and a stiff drink. But car trouble and a forgotten key lead to a chance encounter with the dark and ruggedly handsome Russ, who helps her out and then offers an invitation: come out to the full moon party with him and his four other rugged and muscled friends. Russ and his friends have a dark secret though, something that brings out something primal in Jessica. When that secret is revealed, as Russ and his pack step in to save her from a rival alpha, Jessica finds its not fear she feels, its desire. Under the full moon, Jessica knows of a way to both repay the shifters, as well as help her realize the bold inner goddess thats been hiding inside, and its going to involve letting all five alphas take her hard and without protection in every possible way! Heads up! This story is 8500+ of extremely adult, hot, steamy shifter erotic romance! This story is the non-sequel second book to Mated By All Five Werebears
