

The Beverly Hills Celebrity Address Book: 1000+ Beverly Hills Celebrity Mail Addresses for Celeb Spotters, Autograph Hunters, Fan Mail, Casting Agents, Charity Fundraisers, and Journalists!

For almost an entire decade I worked exclusively as a provider of top class autographs and signed memorabilia to some of the biggest collectors and most prestigious autograph collectors on this planet. I was hugely successful, made more money than I could possibly spend, and built a good reputation as a steady supplier of top grade A-list signatures. I have now retired. Key to my success, and essential to any collector or agent, is a decent address list. My collection of tens of thousands of celebrity addresses has lovingly been built up over time, every single address retained on record has proved successful at least once, and now I have no use for my dossier. Now it is yours, coming in a series of books, this one features over 1500 Beverly Hills Celebrity Addresses! There are some huge names in here, massive massive names, and it is now yours. It isn't only autograph collectors who will be grateful for this collection of course, casting agents and event coordinators in Los Angeles will likely find it very beneficial, as well as journalists, documentary makers, and charity fundraisers. Whatever your reasons for buying this collection, I wish you the greatest of luck!
