

The Blonde Samurai

Spring 1873: I arrived in Japan a virgin bride, heartsick and anxious beyond measure. Yet I embraced this perplexing world after uncovering an erotic, intoxicating power I hardly knew that I, Katie ORoarke, possessed. Japan was a world away from my tedious Western existence, a welcome distraction from my marriage to a cold, cruel husband. But when James attacked me, I could tolerate it no longer. I had no choice but to escape into the hills. I awoke in the arms of a young Samurai, who took me to Shintaro, the head of the powerful Samurai clan. At first distrustful, Shintaro came to me every day for a fortnight until my need for him made my heart race at the sound of his feet upon the floor. He taught me the way of the Samurai: loyalty, honor, self-respect and the erotic possibilities of inner beauty unleashed. But James means to find me, to make me pay for his humiliation. I can no longer hide as rebellions rage, and as my own secret continues to grow.
