

The Chimera Affair

Genre: LGBT Suspense When young Sebastian Brambani meets a sexy and exciting older man, hes easily seduced. But for spy Kyle Grant, its all business. Sebastian is simply a pawn in Kyles mission to acquire a dangerous chemical weapon from Sebastians criminal father. Kyles life is his work for a shadowy international agency protecting the world from evil, and he cant worry about what will happen to Sebastian when the job is done. Sebastians unwitting role in Kyles plan is the last straw for his ruthless father, who has been embarrassed by his gay son for the last time. But when Kyle discovers Sebastian could be the key to finding the deadly Chimera, he rescues him from a hired hitman and fights to keep him alive. Can a hardened spy and naive college student take down a criminal kingpin, stay one step ahead of the killers on their trail--and fight the scorching attraction between them? Publishers Note: This book contains explicit sexual situations, graphic language, and material that some readers may find objectionable: male/male sexual practices violence.
