

Complete Idiots Guide to Yahoo! (Complete Idiots Guide)

The Complete Idiots Guide to Yahoo! covers all content and services for the fastest growing site on the Internet. Explore the capabilities of this global phenomenon by learning basic navigation and operation, searching for information, email, chat, personal calendar/scheduling, and much more. See the hottest spots for news, sports, weather, finance, childrens information, Auctions, classified ads, personals, online shopping, and much more. You'll also see how easy it is to build a personal home page with GeoCities, create and send greeting cards, reconcile your checkbook balance, decorate your Windows desktop, and find ways to make your PC run faster.
