After centuries of different lovers, hes never found one he wanted to keep with him for the eternity that is his to live. Though a fairytale life on the outside, he lives a lonely existence. While staying in New York, he finds a woman who intrigues him more than any other ever has. Snow Sinclair is a savvy business woman and has no intentions of giving in to the well-known playboy. Her determination to keep him only as her client proves harder for Sebastian to penetrate than he imagined. What she believes is only a lust for her proves to be much more than Sebastian ever thought possible for his eternal life. If only he could get her to agree, for she would not be one he takes or transforms against her will. Book Two: Playing with Fire 22-year-old Mia was dreading going to the UK on vacation. After all, why would she be pleased about leaving Idaho, USA? The whole trip had been planned around her meeting Tyler her soon to be stepbrother. Her mom Rachael and Tylers dad David had planned the whole trip to Newquay in Cornwall; even the name didnt excite Mia. Her opinion changes though once her green eyes fall on Tyler. Hes 6 with pale blue eyes and a muscular body. Mia, being the fiery redhead that she is speaks her mind when she first meets him. Tyler isnt discouraged though in fact quite the opposite. Their dilemma soon becomes apparent. Theyre attracted to one another in a whole new way than just as stepsiblings. Book Three: Blackmailed Drew is back from a three month backpacking trip, when her mother tells her that she has found the love of her life and they will soon be married. Drew is shocked, but happy for her mom.

After meeting Charles, she is even more certain that he is just perfect for her. Everything was not perfect though and when she met her soon-to-be-stepbrother, Drew was having a lot of mixed emotions. Lars on the other hand was not so confused. When faced with something that he wanted, the billionaire's son was used to getting what he wanted. Book Four: Tamed and Claimed Katie is fresh out of college and still trying to find her first job. With a tough economy, Katie is desperate to get some income coming in before the last of her savings runs out. Being offered a job for an up-and-coming construction company, seemed like a sweet deal, until she learned the truth about her new boss and his many demands. Jake doesn't play the part of the rich man well. Instead of suits and sports cars, he is happier with T-shirts and his old pick-up truck. When he meets Katie, all Jake can think about is taming the wild woman. The fact that she didn't want a man, made him want her even more. Will Jake be able to convince her to play or will his game just be too much for Katie? Book Five: Fever More than one hundred thousand hungry souls sat waiting in the darkness for just a spark, something to quench their insatiable desire for the goddess of flame--that fiery temptress that consumed their senses. She appealed to not only the most carnal desires of lust and love, but also the human desire to aspire for more. She inspired the heart and moved the body. Book Six: Annalise Annalise Mendoza is a genius programmer working for one of the biggest up and coming gaming companies in the world. When she gets a promotion, though, that puts her right in the line of sight of the head of the company, things begin to go awry. Alex Povera is young, but everyone knows he's a formidable force in the business world. Annalise interests him not only because of her smarts, but because of the sexuality she doesn't even seem to realize she possesses.
