

## The Covered Deep

Bianca Marshal is holding out for the perfect husband. Finding a man that meets the requirements of her must-have list in the foothills of the Appalachian Mountains has proven impossible. Biancas mama insists that theres no such thing as a perfect true love, and that Biancas ideal man is pure fiction. On the eve of her twenty-fifth birthday, Bianca discovers a devastating statistic: her chance of marrying is now only eighteen percent. Unwilling to accept spinsterhood, Bianca enters an essay contest that propels her into a whirlwind search for her soulmate. Via the opulence of London and the mysteries of the Holy Land, Biancas true love will be revealed, but not without a heavy price.
