

The Countess (The Bride Quest II Book 1)

Be mine for a year and a day and I will possess your heart forevermore! Driven from her late husband's estate, Countess Eglantine de Crevy fled to wildest Scotland to claim a castle, only to find a ruin and a clan chieftain standing guard. Kinbeath was hers, she declared, vowing to rebuild the manor and launch a bride quest so her daughters could marry for love. But Duncan MacLaren had devised a bride quest of his own, swearing to win the land and the fiery countess in a war of sweet seduction. Eglantine declared she would never be captured by this barbarian. Yet Duncan awakened passions she had never known before. She promised to fight him with every weapon at her command even as he vowed to woo her for a year and a day and make her his pagan bride. Each thought Kinbeath the prize the most desired, a prize to be won at any price. Until passion turned to love, and the chieftain found himself fighting for the heart and hand of the woman he was born to possess. Master storyteller Claire Delacroix has done it again with this marvelous medieval romance. The Countess is a keeper! Old Book Barn Gazette USA Today Bestseller A #1 Kindle Bestseller
