

## Day-by-day Pregnancy Book

This is the complete guide to pregnancy, day-by-day. Fully updated to reflect changes in medical practice, this new edition of the bestselling Day-by-Day Pregnancy Book provides comprehensive pregnancy advice from a team of experts. No other pregnancy book provides this level of detail, allied with such extraordinary photographs, 3D scans and illustrations which reveal in unprecedented clarity exactly what is happening to you and your baby every single day. From early foetal development to how your hormones prepare you for birth, learn from world-class experts. Plus, obstetricians, midwives and parents advise on your baby's development, medical matters, your changing body, diet, fitness and much more. The Day-by-day Pregnancy Book (previous ISBN 9781405332101) includes a special hour-by-hour rundown of what to expect during and immediately after birth, plus further reassurance for the first two weeks of your baby's life, will give a helping hand through the culmination of your pregnancy, from pain relief to those first intimate and unique moments between you and your child.
