

Novel way to report sexual abuse

Silence decays self-respect of women. To girls and women I would like to say that never be silent. If you cannot gather the strength to face the local authorities then write the name of the person along with the problem faced on hundreds of forums which you come across online. Someone would certainly step forward to hate, humiliate, punish or end the evil days of this man. The best thing is that you can report anonymously. The other best thing is that it would bring a lot of defamation to the problem creating man. Do you know international organizations also refer to forums to find about the status of a country with regard to female security? It becomes an international issue once it comes on hundreds of forums and then no one can take you away from your security. Do not fear any legal investigation to follow it. Today the globe supports female security and the old bad days are dead. So is dead the power days of selected few. The rich and the powerful both have been humiliated in India because of case of rape. For today, women can bring down even the biggest priest (Asa Ram Babu) and the best of political powers. So use this method to get rid of your current problem of abuse. Good luck and God bless your speech through forums. Remember God wants you to speak through Internet and if you do not do that then you disobey God.
