

The Devils Gate (The Devils Gate Trilogy Book 1)

Curiosity can be a dangerous thing. In Abigail Watson's case, it nearly ended her life. After a brush with death, Abigail is reminded of just how short life can be...then she meets Jack Landon, the mysterious heir to the Landon fortune and her savior from a certain death. Jack's tastes are very defined, and his ability to seduce with ease draws Abigail into his dark world. One taste of him on her lips and she is consumed with a desire, a willingness to submit and let him take the gift that she has protected for so long.
