

The Devils Heart: The Chattan Curse

New York Times bestselling author Cathy Maxwell continues her popular historical romance series, the Chattan Curse, with *The Devils Heart*. Lady Margret Chattan, one of the most desirable women in all of England, has no interest whatsoever in marriage. When her brothers' lives are put in danger, she travels to the Scottish Highlands, intent on saving them. There she meets Heath Macnachten, who is trying to find out who murdered his own brother. Together, they team up to investigate the powerful curse that is behind the deaths, but instead find themselves falling in love. Exceptionally entertaining and charming, *The Devils Heart* mixes a well-crafted love story with complex characters and pulse-pounding adventure.
