Its been a long time since young Lawyer, Richard Holder, has heard from his ex-Domme, Christianne Baker. But she surprises him one day with a new offer that he just cant refuse. What tricks has she got up her sleeve, and what will Richard have to do to get it? Richard is bound, spanked, and taken by Baker In more ways than he can possibly imagine. But how will this Domme-Sub relationship end? Explicit: This kinky and hot 3,500 word story contains explicit scenes of spanking, sensory deprivation, masturbation, electricity play, sensation play, and female dominance of a young man at the hands of his strong Domme. Excerpt: Bend over the bed. Richard walked to the bed, bending so that his bottom was in the air facing Baker. He dug his fingers into the wood of the footboard, bracing himself for whatever was coming next. Baker smacked his bottom. It has been a long time, hasnt it? she asked. She lowered her hand to play with him between his legs. Yes, Mistress. Have you missed me? she asked. Richard felt like the touch of her fingers was too good. Yes, Mistress. Ive missed you too, Baker said. Thats why I invited you here. I get lonely without my little pet. As she talked, Baker continued to play with Richard, making him squirm. So I have a proposition for you. A new contract, she said. But first things first. There is the tiny matter of your punishment. Richard drew in a breath. Shit.
