Description: Now it is Ethans turn. The dom male forces the women into a new position. Then he forces Tart to put on a filthy show for himself and his Girl. Finally, when poor Teddy is ready to beg for an orgasm, Ethan is finally ready to give it to her. (3000 words - not including the additional short story, The Pool Boy by Harriet Lovelace- 1650 words). Excerpt: I knew it wouldnt take long. I curled my tongue inside her, pointing the tip. Then I clamped my mouth over her clit and thrust my tongue against it. She grunted and thrust her hips against me. She was so sensitive and ready for stimulation now that she came quickly, forcing herself down onto my face, almost smothering me again, letting me lick the dripping juices from her. That was enough for Tart. She thrust a finger into me and latched her mouth over me sucking on me, flicking at my clit with the tip of her tongue, humming against my most sensitive flesh. My hips began to buck and my hands clutched at her ass. I dug in my nails, trying to pull her closer to me as I began to feel an orgasm building. The heat was just starting to come from my center, and I opened my mouth to cry out. I knew I was almost there, and then there was nothing. Tart had stopped her ministrations. I looked up in surprise, ready to complain, but Sir had her head by the hair. He was looking at me. I get her orgasm, he said, loud and clear. Girl, go sit in the corner.
