

Night with the Demon (Demon Erotica)

Alyssa had just graduated college. She had her whole life ahead of her and nothing seemed out of her reach. At least, that is what the guest speaker said at the graduation. She knew the reality of the world, the limitations that everyone faced when they went into the real world. Everyone, except for her that is. Ever since she was a teen, Alyssa has known about the truth. She knows about the facade of life and that the demons are the ones pulling the strings. Big, sexy demons that are able to give Alyssa the pleasure that no man could. Tonight was no exception. After her shower, she steps out to find one sexy demon reading her newly obtained diploma, waiting for her to come out and bring her pleasure unending.
