

Help! Im Being Chased by a Zombie on Halloween (The Erotic Encounters of Lisa Always Book 6)

Halloween was back once again and Lisa Always had been afraid of people wearing costumes as long as she could remember. Candy invited her to stay overnight for a sleepover and she accepted. Once she got over her house, she was surprised that Candy had neglected to inform her of the Halloween costume party she had thrown. Someone dressed as a Zombie kept running up and grabbing Lisas butt. Nobody else seemed to notice the person in the Zombie costume. Before the nights end, Lisa found herself in the throws of passion with a familiar stranger from the past. If Candy knew, all hell would break loose. Does Candy find out? Warning: This story contains explicit sexual content that is not intended for those under the age of 18.
