

The Firebrand

Beginning with *The Dreamer* and continuing with *The Enchantress*, May McGoldrick's Highland Treasure Trilogy captures the lives and loves of three Scottish sisters. Now, meet Adrienne, the Firebrand: a woman without compromise or inhibitions. Adrienne Percy was hidden in the Western Isles, safe from her family's enemies until her sisters sent a notorious pirate to return her to the Highlands. But when she hatches a plan to free her kidnapped mother, it requires her to marry the handsome rogue and what begins as a simple matter of business quickly flares into an uncontrollable desire.
