

Her Horny Roman General (The Generals Virgin Slave Book 2)

In THE GENERALS VIRGIN SLAVE Marcus Cassius, a first century A.D. Primus Pilus in Roman-occupied Britain, met Amanda Adams, a university student from the twenty-first century, when she stumbled through a wormhole of time. Theirs could have been nothing more than a brief, hot encounter between a powerful master and his obstinate slave-in-training but it quickly developed into something deeper. Something they both knew would last forever. And ever. When Amanda found herself back in her own world, she didnt know whether Marcus, her sexy Roman General, was all in her head, or a true love she once knew in another time. Shes about to find out. It is highly recommended that you read The Generals Virgin Slave (http://www.amazon.com/Generals-Virgin-Slave-Georgia-Fox-ebook/dp/B00NFQTD5E) prior to reading this story.
