

The Hunger (Rogues of Scotland) (Volume 2)

New York Times bestselling author Donna Grant returns to the Highlands in the second book in her scorching Rogues of Scotland series complete with breathtaking romance and the enchantment of the paranormal. A MANS SECOND CHANCE TO LIVE Cursed by a gypsy and banished to a realm of darkness for over two hundred years, Morcant Banner resigns himself to an eternity of torture. With need and frustration his ever-present companions, hes given up hope of ever seeing his friends again, let alone knowing the pleasures of a woman. When he is suddenly freed from his prison by a very beautiful, very wary woman, hes forced to face a reality much different from the one he remembers. A reality without the men he once called brothers, but with Leana who makes him hunger like no other. A WOMANS CHANCE TO TRUST Introverted and guarded, Leana freely admits that she prefers the quiet of the forest to the company of people. Shes comfortable in her independence and enjoys her solitude. When she stumbles upon a mysterious man unconscious in the forest, the very same man shes had a vision about, she begins to believe in the magic the villagers whisper about. Because only magic could explain the uncontrollable, irresistible longing she feels for the handsome Morcant. But can she give in to her desires, knowing that he could leave her like everyone else? This all-new, never-before-published novella is approximately 20-25,000 words.
