

# The Internet Entrepreneur®: Discover The Key To Online Success in the New Economy

Leave the Rat Race and Become Financially Free With Your Online Business What you have in your hands is an actual blueprint for success woven into a modern-day parable that reminds us to share the talents we possess, and to do great things. Sometimes all we need is a reason. The Internet Entrepreneur is a gem of a book, full of heart and full of great insights and delivers a simple yet powerful message. It outlines a step-by-step formula that will allow anyone to succeed on the Internet once they learn the secrets Mick Moore shares in this book. The Internet Entrepreneur gives you the inspiration, motivation, and information to leave the rat race of work and join the winning team of the financial free. Lose yourself in this heartwarming story of one mans struggle, failure and then ultimate success as he stumbles across a formula for success most people never discover. The Internet Entrepreneur is both a step by step tutoring in how to achieve incredible success in todays modern internet world, as well a true to life story based on the authors own path to financial freedom. Discover your own path to financial success and getting paid for following your passion or hobby. There is an Internet Entrepreneur in every one of us just waiting to be released. Do you want to earn a full-time income as an internet entrepreneur? This little book will show you how. About the Author Mick Moore The Internet Entrepreneur Is an award-winning web designer, acclaimed internet marketing consultant, author, film maker, and key-note speaker. Mr. Moore is the author of the The Internet Entrepreneur, A Blueprint For Wealth, How to Manifest Wealth, Health, and Happiness and The Home Business Success Kit and is featured in the movie The Power of Mentorship. He is the CEO of KillerGraffix, a prominent design and marketing firm based in San Diego, California, a division of Pacifica

Marketing Group, Inc. Mick Moore is an ASPCA supporter and dedicates his time to helping people and small business organizations understand how they can aggressively compete in today's high tech Internet market.
