

## James Allen Collection: As a Man Thinketh and The Way of Peace

Two of James Allens most famous works are in one book for an affordable price. James Allen (November 28, 1864-1912) was a British philosophical writer known for his inspirational books and poetry and as a pioneer of self-help movement. His best known work, *As a Man Thinketh*, has been mass produced since its publication in 1903. It has been a source of inspiration to motivational and self-help authors. In his own words: ...I dreamed of writing books which would help men and women, whether rich or poor, learned or unlearned, worldly or unworldly to find within themselves the source of all success, all happiness, accomplishment, all truth. And the dream remained with me, and at last became substantial; and now I send forth these books into the world on a mission of healing and blessedness, knowing that they cannot fail to reach the homes and hearts of those who are waiting and ready to receive them. I write for men, not for babes; for those who are eager to learn, and earnest to achieve; for those who will put away (for the worlds good) a petty personal indulgence, a selfish desire, a mean thought, and live on as though it were not, sans craving and regret.
