

## Integrated Femdom Therapy: Eric Blue LLC (Scars of the Whip Training Book 7)

Tom and Rachel had a typical male dominated marriage until one day Tom got a little too drunk and pushed the domination too far. His wife sought the assistance of the World renowned Wier Institute to solve their marriage problems and try for an equitable reconciliation. The institutes recommendations were rather radical, especially for Tom who was overtly enrolled in its slave training program. This includes biologic engineering of the male procreation system. Femdoms can always trade mates through the Institutes slave auctions.
