

The Knitters Guide to Hand-Dyed and Variegated Yarn: Techniques and Projects for Handpainted and Multicolored Yarn

Cast on for your next variegated yarn project with new skills and renewed confidence. Do you covet the gorgeous colors of multicolored yarn but have been disappointed by patching, pooling, and other unintended designs that develop as they're knitted? In *The Knitters Guide to Hand-Dyed and Variegated Yarn*, hand-dyed yarn guru Lorna Miser transforms the experience of working with these beautiful yarns, whether they've been dyed by hand or commercially produced. This informative stitch dictionary includes 10 simple, accessible techniques, 65 stitch patterns, and 20 projects that make the most of the dazzling color combinations and creative possibilities that variegated yarns have to offer.
