

Bedroom Experimentation (MM Gay First Time Erotic Romance)

Alpha college student Jacob is strong, popular, and secretly likes other guys but he has never admitted or acted on his impulses. When skinny Eric has to stay in his house for a few nights, Jacob takes a chance and guides his friend into re-enacting childhood games of exploration and experimentation. Games like doctor! As it turns out, Eric ends up a very willing participant, and soon leads the game into very naughty territory. Looks like both young men are about to lose their innocence in a BIG way...
