

Freedom from Substance Abuse

Whole Brain InnerTalk is a patented technology that has been independently researched and demonstrated to be effective. All positive messages are delivered to the subconscious mind using special shadowing techniques. These positive affirmations replace old, negative, self-limiting self-talk, and therefore enables you to find success in whichever area you choose. All programs come with a complete list of the affirmations. Whether you are addicted to smoking, drugs, alcohol or food, this program is your ally in overcoming your addiction. You'll find your attitudes about yourself and your self worth bolstered and no longer will you have the need for undesirable substances.

Sample Affirmations I am drug free. I make wise choices. I love living. I love life. I use healthy things. I laugh, etc.

About the Author: Eldon Taylor is an award winning, New York Times best selling author of over 300 books, and audio and video programs. He is the inventor of the patented InnerTalk technology and the founder and President of Progressive Awareness. His books and audio/video materials have been translated into more than a dozen languages and have sold millions worldwide. Eldon is the host of the popular radio show, Provocative Enlightenment. Note: Our programs are for educational and spiritual purposes only. No therapeutic claims of any kind are made regarding these recordings.
