

At Least Once More

Miss Annabelle Abbotts reckless determination to find a husband has delivered her into the hands of fortune hunters more than once. So its only logical her next suitor prove hes more attracted to her person than her fortune...isnt it? After a heated kiss with a delicious duke is interrupted, Annabelle is left hungry for answers. What more is there between a man and a woman? Why does she ache in strange places? And how far is she willing to go to find the answers?All his life, Gareth Grey, Duke of Powis, has done his duty and obeyed Societys strictures. But when he encounters Miss Annabelle Abbott, he cant resist dancing her onto the deserted terrace in hopes of stealing a taste of her lips. The beautiful debutantes ensuing antics arouse Gareths body and test his much-valued control. Left with no real choice but to rescue the headstrong woman from ruin, Gareth offers marriage and gives in to her wanton ways.However, when she misbehaves one too many times on the way to the altar, Gareth decides she needs a lesson in control, and Annabelles left with only one last question...will he teach her that lesson at least once more?
