

## Midnight Sex Shop (contemporary erotica thriller)

Warning: This book contains f/f/m menage, m/m/f menage, and all kinds of naughty voyeur activities! A sinister rumor has sent Detective Lina Blackmore into the infamous sex club The Midnight Sex Shop. The club whose motto Your darkest desire is our only pleasure is under tight scrutiny when an anonymous call is made to Lina's precinct alleging that the Midnight Sex Shop is selling child pornography. Lina discovers that the club is owned by the dark and handsome, Cade Vanderoth, who will only work with Lina for a price her body. Lina quickly learns that Cade Vanderoth is a sexual dream, a man who unravels her every sexual fantasy as if he could see straight into her. Lina succumbs to him, and in his arms, experiences her deepest, rawest of sexual fantasies. While passions bloom and love is realized, a dark presence lingers in the Midnight Sex Shop. As Lina struggles to solve the case, she begins to lose the battle over love. But can Lina learn to trust and can Cade overcome his inability to commit? Can these two hearts learn to mesh or will they falter and risk losing the greatest thing in life love.

EXCERPT Once again, Lina found her gaze swinging back to the clear-glass room. The current customers were getting a hell of a party. G-string women most likely employees gyrated and danced over three middle-aged men's laps. Lina's mouth nearly fell open when one of the females moved between one man's legs and unzipped his suit pants. His erect cock sprang free. Lina barely managed to stifle her surprise when the woman opened her mouth and started sucking off the man right there. The man's head fell back against his chair as pleasure drenched his features. She didn't know what surprised her more, that this woman was openly sucking a man's cock or that his friends participated. Another man took his dancer and positioned her to grab on to the balcony railing overlooking the dance floor. He

pushed down his pants and pulled on a condom before plowing anxiously into the woman who moaned wildly. One after the other, clothes were shed, cocks taken out, and the muted sounds of sex fogged clear room. Who the hell would pay to have sex in the open like this? Excuse me! A sharp voice jolted Lina back to reality. A very tall and very blond woman wearing an outrageous outfit consisting of a black bowtie, lace corset, black stockings, and five-inch heels, glared at her with slender arms crossed. Oh, sorry, Lina mumbled, a blush creeping over her cheeks. Discover the latest releases, upcoming book information, and more by signing up for my email subscription list!
