

The Love Doctor and the Phantasm

In Renaissance Florence, the ripe and lovely Lady Elena Testarosa has been felled by a crude enchantment, compelled to offer her body and soul to the evil Antonio Castiglione as his love slave. Her family has one chance, to hire Griego Robinetti, the mysterious and roguish Love Doctor, to remove the spell. But to do this Robinetti will have to make her his own slave and set free her female Phantasm—the sexual beast that dwells within every woman taking her to heights of love and depths of depraved debauchery such as no woman has ever known. Told with charm, wit, aching beauty and incandescent passion, *The Love Doctor and the Phantasm* is a costume drama of love, magic and sex like nothing you've ever read, told by Elliott Mabeuse, Doctor of Erotica.
