

The Makers of Indian Colonial Silver 1760-1860: A Register of European Goldsmiths, Silversmiths, Jewellers, Watchmakers and Clockmakers in India

This book contains a register of over 900 Europeans who worked in the trades of goldsmith, silversmith, jeweller, watchmaker and clockmaker in India, with details of their working dates, identifying marks, addresses, and further biographical notes where these are useful or pertinent. There are more than 150 half-tone illustrations, including many of marks which have previously not been ascribed or have been misascribed.
