

The Masters Baby: BBW Paranormal Shapeshifter romance (Smut-Shorties Book 8)

She lost everything when the man she loved mated another. Unable to remain in Lycan society, Cyan has left the pack and her home to make her own way in the human world. A world where no one knows who she is, or that the Master of the City, rejected her in favor of another. She's happy...she tells herself that on an hourly basis. So why does her heart long for that she left behind? The most powerful werewolf in the city...and he's screwed up, big time. When Veyr discovers that Cyan isn't just avoiding him, but has forsaken the Lycan way of life he knows he can't hide behind honor anymore. The truth must out. But when he finds her, he realizes there's a lot more to play for than just his heart...
