

## The Masters New Toy: Books I through VI (BDSM Discovery)

Michael had dreamed of dark pleasures but never thought he'd find the master of his dreams. One night out at a local BDSM club loses Michael a girlfriend, but gains him Dominic, an older DOM ready to initiate Michael in the ways of pleasure and pain. Michael never imagined himself enjoying the touch of another man, but learns true desire has no gender. Dominic is enthralled with Michael and can't fight the temptations, and growing emotions, he feels. When Michael's desires nearly prove too much, Dominic must push himself into new territory as well to feed Michael's need. A complete collection of books one through six for the first time together in print.
