

The Mermans Lagoon

Party girl Hannah takes the wrong drug and ends up diving off the side of a cruise ship into the arms of a lonely, horny merman. She should get back to the ship, but how can she resist the sexy half-man? Especially when he takes her to an island, intent on keeping her all to himself... Warning: Contains explicit sexuality. Intended for readers 18 years and older. Excerpt: I widened my eyes, helplessly blind in the darkness as the strangers mouth connected with mine. Cool clear air shot into my lungs, filling me up. I wheezed and gasped. The lips captured mine a second time, and more air washed into me. The water in my nose bubbled away like soda fizz, and the blackness in my head dissipated. I realized I could blink and see. Approximate word count: 4,000
