

The Money Changers - a Jerusalem Short Story (The Dove and the Wolf Book 8)

BOOK 8 Phobes family was aglow with greed. They were seeking to make huge profits off the pilgrims who were preparing for Passover. But they did not know one thing. That Jesus had drawn a line. The Money Changers is Book 8 of a cliff-hangered short story series. The sequence will lead up to a happily ever after ending. The series is clean romance and is suitable for teens and up. Half of all authors proceeds benefit battered womens shelters. I would love your input as Im writing these - its your suggestions which will help guide the direction the story moves in! If you prefer to read your stories complete, you are welcome to wait until the sequence is complete and then buy the box set. Either way, you support the cause!
