

Kidnapped by the Outlaw, Book Three: Ownership (Motorcycle Club Alpha Male Erotica)

Warning: this erotic short story contains dubious consent, exhibitionism, spanking, dominance and submission, bondage, and an alpha male biker, and is for adult readers only. Della is desperate to run away from home. Even if it means being carried away on the back of a motorcycle, with her hands wrapped around the waist of a dangerous stranger. A stranger with menacing pictures inked across his muscled chest. A stranger who is determined to claim Della for his own, to turn her from an innocent young woman into his eager plaything. Will Della resist the pleasure and the punishment, or will she give in to his domination? In Book 3 of Kidnapped by the Outlaw, Della still has a lot to learn. Whether she's tied up, held down, against the wall or on her knees, Kit is eager to teach his girl how to serve him. She might belong to Kit, but when she falls into the hands of a rival club, she has no choice but to use her newfound skills to keep them happy.
