

# The Pants Around Here (Kyteler Academy Girls Book 1)

The right lingerie can be positively bewitching...much to the dismay of Magnolia Pendergaste, the most popular girl at the Kyteler Academy for Young Witches, who finds herself under the spell of the class lesbian when a panty-theft goes awry! Almost all the girls at the Kyteler Academy for Young Witches are highblooded -- descendants of the rich and powerful Fifty Families. Plain-faced, humbly-born, and rumored to be a lesbian, Rebecca Lane is the exception that proves the rule. But when the most popular girl in the freshman class gets caught stealing from Beccas panty drawer, the tables are suddenly turned, and high-blooded becomes extremely low-minded. As the girls make their way from the dorm room to the school stables, witchcraft, panties, and more than a little schoolgirl lust abound in this first installment of the Kyteler Academy Girls series...
