

Anyway: The Paradoxical Commandments: Finding Personal Meaning in a Crazy World

These ten principles were first articulated by Kent Keith as a student at Harvard in the 1960s. Since then, unbeknownst to him, they were quoted, circulated, and appropriated by countless people around the world and back again. They even served as a source of inspiration for Mother Teresa. Now, here are his commandments, the philosophy behind them, and the stories that bring them to life. The first five Paradoxical Commandments: People are illogical, unreasonable, and self-centered. Love them anyway. If you do good, people will accuse you of selfish ulterior motives. Do good anyway. If you are successful, you will win false friends and true enemies. Succeed anyway. The good you do today will be forgotten tomorrow. Do good anyway. Honesty and frankness make you vulnerable. Be honest and frank anyway. The biggest men and women with the biggest ideas can be shot down by the smallest men and women with the smallest minds. Think big anyway. ...
