

The Dungeon Masters [The Pleasure Club]

Natalie Simons is a woman who wants a taste of adventure, BDSM-style, and she hopes The Pleasure Club can provide the man to help her do just that. Little does she know that the clubs answer to her most extreme sexual fantasies comes in the form of not one but two very dominant men. Once they have her naked, bound, and in their dungeon, she'll be vigorously tested to determine whether she's strong enough to handle the erotic demands placed on an obedient slave.
