

Betrayed (Erotic Romance) (Ethan & Kayla Book 2)

From USA Today Best Selling Author, Kelly Harper... There are those who struggle to find love. They search for it their whole life. Some of them find it, and some of them don't. Kayla Ellis is not one of those people. She's young and ambitious, and is falling desperately in love with her professor, Ethan. Her whole life has been dedicated to making a better life for her and her parents. But in one single night, her whole life was thrown off course. Ethan has a little secret of his own, and when it's revealed, it threatens the very foundation of what they are trying to build together. One chance encounter outside of a restaurant throws both Kayla and Ethan's lives into disarray. Both of them scramble to pull the pieces of themselves back together before they lose each other forever. But who's Betrayed whom, in this finely woven tale of lost love and deceit? (New Adult Contemporary) **Mature Content** Recommended for ages 17+ due to sexual situations and language.
