

## The Queens Secret Lover: A Paranormal Smutty Short

The Queen was cunning, devious and beautiful despite her age. Yet her ambitions were being cut short by her lack of heirs and the dimwitted brute that was the king who failed to sew them inside her still fertile body. When a court seer a man who possesses the ability to see the future is hired by her husband, she knows that he will soon suss out her plans. She works to rid herself of the threat until one day the seer corners her and gives her a choice: Let him have her, raw and unprotected, or hell tell the king what happened to her last husband.
