

## The Ringmaster: Cirque de Plaisir

From Amazon Top 10 Bestselling Erotic Romance and Erotica Author Erika Masten A Domination And Submission Romance Novel THE RINGMASTER: CIRQUE DE PLAISIR Cirque de Plaisir. Circus of Pleasure. An upscale underground theatrical pageant of desire and allure. A masked BDSM spectacle bringing forbidden fantasies to life for the select few with the power, wealth, and influence to secure an invitation. For Donovan Haigh, the man they all call Ringmaster, the Cirque de Plaisir is illusion, showmanship, and domination brought to the level of performance art. It is the culmination and affirmation of his grasp of human nature mixed with business acumen and sheer force of will. And no one dares ask what wounds and personal losses underlie the Ringmasters resolve to maintain that unwavering control. For Olivia Keane, the Circus of Pleasure is a vision in the night, a hunger in the dark, and a promise of freedom couched in the terms of submission. Become the Ringmasters slave and escape the grasp of her manipulative, belittling family. Succumb to the tightrope-taut sexual tension between the showman Dom and herself and blossom in the warmth of the spotlight and Donovan Haighs embrace. But when the Ringmasters slave becomes the star of the show, drawing the lions share of attention and princely sums for private command performances, will Donovan be willing to share either the spotlight or his submissive? The Ringmasters hold on Olivia and his own self-control begins to fray as powerful admirers try to woo her away, and at least one suitor proves he is not who he seems. Old pains and family hatreds will not be so easy to escape for the Ringmaster and his slave, even in their secreted world of glamour and passion. Warning: This is a domination and submission romance containing explicit sexual content, including elements of light bondage.

Intended for mature readers only. All characters depicted in this book are 18 years of age or older, and all sexual activities are of a consensual nature.
