

## Finding Mercy (Evans Point Book 1)

You'll die in three minutes without oxygen, three hours without shelter, three days without water and three weeks without food. But could you live a lifetime with a broken heart? Mercy Evans has come to Evans Point hoping to collect herself and find a way to resurrect her career as an anchorwoman for Cheyennes news station. Sergeant Justin Redway has come to Evans Point to try to forget his past and survive all he's done. One is a battle-damaged veteran, the other a desperate woman who will go to any extreme to get his story. When their worlds collide, sparks fly and old wounds open. As the chasm between the fated lovers widens, it might be too big to cross. One town, two lovers, and a second chance at finding mercy.
